

## ***Raise Questions Online With Presidential Candidates***

This matrix is designed to help you use Presidential candidate's Web sites to: 1) ask them questions about adult literacy and 2) learn more about their positions on issues.

**Note:** Some candidate Web pages prompt you to sign up for a newsletter when you visit the site. You do not have to do this in order to browse his or her Web site. However, signing up for these newsletters provides opportunities to receive event invitations, links to live Web chats, videos, email updates, and more. Some Web sites have forums (blogs, discussion boards) that also provide opportunities to raise adult literacy issues. Each Web site is unique and is updated regularly. Check back for new features and updates.
